Miss Elizabeth Hazeltine
5 Harvard Street
East Orange, N. J.

Dear Miss Hazeltine:

On Mr. Newell's request I am very glad to enclose a letter such as you ask, and to say that you may freely refer anyone to whom you may apply for a position, to me. This is sometimes considered a little better than presenting such a general letter as the enclosed one must necessarily be. May I wish you success and express the hope that your new associations will be as pleasant as ours were during the short time you aided us here.

Sincerely yours,

THE AMERICAN NUMISMATIC SOCIETY

Secretary.
